Equality: Opportunities Now

LGBT & AGING LEADERSHIP WORKSHOP

The Institute on Aging and the VA Palo Alto Health Care System invite you to an LGBT and Aging Workshop to learn about the experiences of LGBT elder healthcare and the specific needs, strengths and experiences of LGBT Veterans. Join Heliana Ramirez, LGBT Program Manager at VA Palo Alto (VAPAHCS) to discuss issues of health challenges, wellness, recovery and community integration among LGBT elders and learn about clinical and social resources for care providers and LGBT elders. Most recently, Ms. Ramirez produced the ground breaking documentary "The Camouflage Closet" regarding LGBT Veterans' experiences with trauma and recovery and led VAPAHCS to achieve the distinguished title of "Leader in Health Equality" from the Human Rights Campaign Healthcare Equality Index. Ms. Ramirez is completing a PhD at the School of Social Welfare at the University of California, Berkeley with a dissertation on LGBT Veteran mental health and wellness.
