

Swindell's

Adult Day

Program

Summer

2017

The entire kindergarten and fourth grade classes from Presidio Hill School visited our program and we couldn't have enjoyed it more.

We sang songs, collaborated on art projects and even drew portraits of one another. Above Lincoln and LaJoyce enjoy a portrait given to Lincoln by an adorable fourth grader.

"Our job now is to show leadership and vision and to help the next generation of artists."

SUMMER OF
LOVE

GALLERY OPENING & FAMILY FAIR

A community celebration with live music, free family-friendly art activities, and an exhibit featuring artwork made by Ruth's Table participants in collaboration with Institute on Aging and De Young.

Announcement:

We are so happy to take part in a Summer of Love art show. We are making tie-dye wall hangings and hand painted butterfly mobiles which will proudly be displayed at Ruth's Table Art Gallery in the mission neighborhood.
